### **C.C. Communities**

Our once-a-week, supplemental, academic programs provide a committed Christian *community* of structure and support, along with great fellowship for the *students and parents*. We offer *Foundations* (K4-6th), *Essentials* (4th-6th), and *Challenge* (7th-12th).

If you have been looking for a *community* of homeschoolers who use the *Classical Model* for education, live by Christian principles, and enjoy learning, come visit us at one of our programs or Practicums. For more information, please contact Tri-Cities Director, Christian Stordahl
